Request for Confidentiality on the Public Rating Information Database

Your name and postal address is included in our Rating Information Database required by the Local Government (Rating) Act 2002.

This database shows rating information about all properties in our city and is available for public inspection on our web site.

This means each property's rating details, together with the full name and postal address of each owner, will be accessible for viewing at our Willow Street Service Centre or online at the Council web site http://www.tauranga.govt.nz .

Tauranga City Council does not release this information in bulk format; each property must be viewed separately.

You have the right to withhold your name and/or postal address from this database by completing the details below and emailing or mailing Council at info@tauranga.govt.nz or :
