Informal unregistered groups are welcome to apply and Council will administer funds directly to unregistered groups for small grants. For medium grants there will be a requirement to identify a legally constituted organisation such as a charity, incorporated society or Trust to act as an “umbrella organisation” willing to receive and monitor funds on your behalf. You will need to include details of the umbrella organisation in your application form.

4. What we fund

Your project must:

- provide a public benefit and be free and open to all members of the public
- be initiated, planned and implemented by members of the community who will benefit
- demonstrate community match (outlined in section 6.)

Types of things we fund include:

5. What we don't fund:

- operating expenses of organisations including funding permanent staff
- maintaining ongoing programmes, events or services
- maintenance or deferred maintenance
- purchase or improvement of privately owned facilities

- professional fundraising services
- activities already completed
- projects that have already been funded or part-funded by Council

6. Community contributions – the match
