Pyes Pa Memorial Park

Pyes Pa Memorial Park represents many different things to different people.

For some, it is a place to walk among memorials that chronicle Tauranga's recent history and to relax in a safe and peaceful environment. For others, it is a place to remember loved ones and to honour our nation's war heroes. It is also a place to say farewell during a funeral service to a family member or friend.

All memorials require a permit. All prices include GST at 15% (as at 1 October 2010).
