About the Friends

Friends of Baycourt was formed in 1984 out of the community group that lobbied for Baycourt Community and Arts Centre to be built. It became an incorporated society in 1989.

Since its inception Friends of Baycourt has donated over \$181,000 worth of equipment to Baycourt Community and Arts Centre.

Those lucky enough to live in Tauranga are fortunate to have a facility such as Baycourt. It's not just a beautiful building but an institution which brings to the people of this area, a richness of interest and activity in the arts which those who live at a distance from main centres, much appreciate.

“ Friends of Baycourt appreciate the wealth of experience that can be gained from such a facility. They have joined together to promote Baycourt for the benefit of the whole community.

- Former Chairman Tom Ryan.
