did you know
that there are
places that you
cannot use your
skateboards?

Throughout the Tauranga region there are some areas where you cannot use your skateboards, roller skates or similar equipment.

This is for safety reasons and due to the large number of people using these areas.

To find out where **skateboarding is prohibited**, take a look at the maps below, the **prohibited areas are shaded in yellow**.

Tauranga

- 17th Avenue - by the Historic Village
- Otumoetai - Carlton Street Reserve
- Memorial Park - Devonport Road entrance (half pipe)
- Welcome Bay - next to the Welcome Bay shops

Mount Maunganui

- Blake Park - half pipe
- Grenada Skate Park - close to Baywave Aquatic Centre

Papamoa

- Gordon Spratt Reserve - Parton Road

In the areas where skateboarding is allowed, please take care - especially when there are a lot of pedestrians around.
